Dear Artist

New Kent Art Gallery & Studio opened its doors in the very heart of beautiful Broadstairs town in 2016, just yards from the seafront and harbour.

The intimate, fine art gallery space focusses on local artists, showcasing stunning work in traditional and contemporary styles, together with resident artists in a working studio. Paintings, sculptures, crafts, ceramics, gifts and one-off pieces will be available to admire and buy in the gallery or online from our website.

In response to a lack of gallery space, two local artists, RA exhibitor Brian Hodgson and Karen Hiscock-Lawrence, set up a studio and affordable gallery space for artists based in Kent to hire and showcase their work, as well as holding organised 'open shows' throughout the year. Changing exhibitions every fortnight will provide residents and visitors to Broadstairs an exciting art experience, as well as a hub for artists and makers to pop in for a chat.

Why not come and see the delights for yourself at New Kent Art, 49a Albion Street, Broadstairs, Kent CT10 1NE. www.newkentart.com

Artists can book the gallery for a solo exhibition or as a collaborative of ideally up to 4 artists. The hanging space is set out as a long, galley style room (approx. 7mx2.5m), with 3 large window display areas and some display case/plinth space. We are flexible as to the layout and will assist the artists in hanging their work to create the best exhibition possible whilst maintaining the 'look and feel' of New Kent Art Gallery as a whole.

If you would like to book a slot for this year, please fill in the booking form. Availability is on a first come, first serve basis and based upon a fortnightly calendar there will be a maximum of 26 slots.
